Reference Specification. In no circumstances does MasterCard compliance notification include any endorsement or warranty regarding the functionality, quality or performance of any other product or service. Under no circumstances does MasterCard approval include or imply any product or service warranties from MasterCard, including, without limitation, any implied warranties of merchantability, fitness for purpose, or non-infringement, all of which are expressly disclaimed by MasterCard.

It is the acquirer's responsibility to comply with information provided in the "Global Operations Bulletin N° 11 (10 November 2009)" article - "MasterCard EMV Chip Terminal Application Kernel Compliance Principles and Policies - Update" for their terminal deployment and maintenance.
